FIXED BED  
 OVEN  
 SHOWER

Benimar Mileo 201, First Registered 15/12/2015. Layout with fixed bed and large garage is great for touring. A compact motorhome that can be parked almost anywhere (roadside in town, supermarkets etc), easy to manoeuvre and reasonable running costs. Great for wild camping, with the benefit of shower & toilet, large water tank, solar panel for charging the battery, LED lighting, 3-way fridge. the heating system is very efficient with an easy-to-use control panel providing options of mains electric or gas heating (or combination of), permitting all year-round use. The large garage easily accommodates 2 bicycles, the motorhome has also been factory fitted with the addition rails for easy fitment of a cycle rack. On the passenger side a F45i canopy has been fitted which provides easy shade from sun. The fixed bed has memory foam mattress - very comfortable. Very practical kitchen, large kitchen worktop, hob with 2 gas rings and also one electric ring, Practical sized oven, microwave, fridg...
